

Career Development Lunchtime Series

Monday June 21, 2010

12:30-1:30 pm

Northwest/Ohio/Purdue/Wisconsin Rooms

(Free, registration required)*

The Value of a Research Degree to a Toxicologic Pathologist: The Debate Continues

Presented by the STP Career Outreach Committee

Panelists and audience members will discuss this issue from a variety of angles, including topics such as:

- Cost vs. reward in obtaining an additional advanced degree
- Relevance of research to different toxicologic pathology careers
- Are there skills you learn during graduate school that you can't get any other way?
- And many more!

Panelists

Daniela Ennulat, DVM, PhD, GlaxoSmithKline

George Foley, DVM, PhD, Abbott Laboratories

Prasad Nadella, BVSc, PhD, DACVP, AstraZeneca Pharmaceuticals

Annette Schwartz, DVM, Abbott Bioresearch Company

**Register for Career Development Sessions using Meeting Registration Form
Lunch (no charge) will be available for pick up in the Exhibit Hall at noon prior to the session*
