

Career Development Lunchtime Series

Monday June 20, 2011

12:30-1:30 pm

(Free, registration required)*

Professional Networking Using New Technologies

Presented by the STP Career Development and Outreach Committee, Education Committee, and Internet Committee

Panelists and audience members will discuss the use of new technologies for professional networking. Topics will include the following:

- STP Web Site Technology- using the new STP collaboration tool, ToxPathNet
 - Common interest groups for discussions and publicity for events/topics of interest
 - Committee work and business of STP
 - Access to resources, previous Career Development/Continuing Education Workshop presentations
 - Much, much more
- LinkedIn and Other Professional Networks

Panelists will include Dr. Brad Bolon, Dr. Alric Lopez, Dr. Ken Schafer, and Mr. Terry Leyden.

**Register for Career Development Sessions using Meeting Registration Form at www.toxpath.org/AM2011/reg.asp.*
