STP Members,

You are invited to the fall meeting of the Boston Area Pharmaceutical Toxicology Group to be held on October 21, 2011 in collaboration with STP. The meeting will be held at One Burt Road in Andover, MA and hosted by Pfizer. The theme is [carcinogenicity assessment](#). All interested participants are welcome. There is no registration fee, but registration is required so that we can plan for adequate refreshments and lunch. Please see the recent publication from Sistare et al in Tox Path (39: 716-744) <http://www.toxpath.org/membersonly/pub.asp> that sets the tone for the day. We are also very happy to welcome Todd Bourcier from FDA to provide the agency's perspective on the utility of carcinogenicity assays. [AGENDA](#)

If you plan to attend, please RSVP to the email address below with the subject line "BAPTG RSVP" and please include the following information in the email:

- 1) Name
- 2) Institution
- 3) Special dietary needs for lunch

email – dan.g.morton@pfizer.com

...and [directions](#) on how to get to the Pfizer Andover site.

It will be a great day of networking and discussion, we look forward to seeing you!
