

**Apply for an STP Student Travel Award to Attend the STP Annual Meeting in**  
*Washington, DC ~ June 22-26, 2014 ~ Marriott Wardman Park Hotel*

Student Travel Awards are available to Graduate Students for participation in the Annual Symposium of the Society of Toxicologic Pathology. Each of the students who are chosen will receive a stipend of approximately \$1000 to defray travel and lodging costs associated with attending the convention, complimentary meeting registration, and complimentary student membership for the following year. Recipients will be honored at an Awards Ceremony prior to the Annual Business Meeting on Wednesday. All recipients will be required to present a poster at the Symposium and submit an abstract online describing your original work involving clinical or experimental research that relates to experimental or toxicologic pathology. The quality of the abstract, including the scientific content and impact of the research, is critical to the judging process. Abstracts should be clear and complete with Introduction (including purpose/justification), Methods, Results, and Conclusions sections. The letter of nomination, *Curriculum Vitae*, and Statement of Career Goals will also be taken into consideration. Some trainees will be asked to give an additional short oral presentation concurrent with scientific sessions.

***Eligibility:***

To be eligible to compete for this award, trainees must be graduate students working in the field of experimental or toxicologic pathology or a related discipline (to include veterinary students, pathology residents [veterinary or medical] and/or MS or PhD students), and must be available to travel to Washington, DC to attend the meeting. Candidates who have recently completed (within 12 months of the application date) their graduate studies will also be eligible.
