Society of Toxicologic Pathology Modular Course Scholarship

The Society of Toxicologic Pathology (STP) is pleased to offer the STP Modular Course Scholarship to eligible students and trainees with demonstrated interest in the field of toxicologic pathology. This scholarship is intended to cultivate those interests by exposing trainees to in-depth applicable knowledge in subspecialties of Toxicologic Pathology, while also facilitating interactions and networking opportunities for trainees interested in pursuing a career in Toxicologic Pathology.

Eligibility: Applicants must be training in the field of experimental or Toxicologic Pathology or a related discipline (including DVM and MD students, anatomic and clinical pathology residents, and MS and PhD students), and must be available to travel to attend the modular course. Applicants who have recently completed (within 12 months) their graduate studies are also eligible.

Requirements: Applicants are required to submit the following materials: 1) a copy of your *Curriculum Vitae*, 2) a statement describing your contribution to pathology, interest in Toxicologic Pathology, and future career goals, 3) a letter of reference from your mentor, and 4) a brief pre-estimate travel budget. Send application to:
