STP will publish an online Annual Meeting Attendee List, including physical and email addresses, for all meeting attendees. This will be password protected.

Check here if you do not wish to be listed in the online password protected attendee list provided to all registrants.

STP also offers Annual Meeting exhibitor companies and corporate sponsors the opportunity to purchase a pre- or post-meeting registrant list (physical address, not email address) for approved one-time mailings about Annual Meeting events or their products or services.

Check here if you wish to be excluded from the list provided for approved Exhibitor or Sponsor mailings.

CANCELLATION/REFUND POLICY: All requests for cancellations and/or refunds must be received in writing at STP HQ by May 15, 2026. These refunds will be processed, less a \$75 processing fee. Refund requests received after May 15, 2026, will not be processed.

Meeting Registration Form

Registration Information

STP Member, Student, and Nonmember paid registration includes: Scientific Sessions (Monday through Wednesday), Exhibit Hall access, Breaks (Monday through Wednesday), and one admission to the Welcome Reception (Sunday) and the President's Reception (Wednesday).

Guest registration includes: One admission to both the Welcome Reception (Sunday), the President's Reception (Wednesday).

Exhibitor registration includes: Scientific Sessions (Monday through Wednesday), Exhibit Hall access, Breaks (Monday through Wednesday), and one admission to both the Welcome Reception (Sunday) and the President's Reception (Wednesday). Each exhibiting company is permitted two complimentary Exhibitor registrations per rented 8'x10' booth. Additional registrants should register as an Exhibitor Member, Exhibitor Nonmember, or Exhibitor (Scientific Sessions not included).

Exhibitor \$500 registration includes: The Exhibitor Registration fee (\$500) is for companies with more than two exhibitors. This reduced registration does not include admission to the Scientific Sessions, but does include Exhibit Hall access, Breaks (Monday through Wednesday), and one admission to the Welcome Reception (Sunday) and President's Reception (Wednesday).

One-Day Registration includes: One-Day Registrations are offered Monday through Wednesday and include for the day registered: Scientific Sessions, Exhibit Hall access, and Breaks. The Monday fee includes one admission to the Welcome Reception; the Wednesday fee includes one admission to the President's Reception.

Continuing Education Course and Other Events—Registration is Required

Satellite Symposium is free, but registration is required.

CE Course—Attendees for half-day paid Continuing Education Course will receive a link to the digital course book syllabus for download prior to the meeting. Electronic CE Course certificates will be provided at the meeting to those who attend each course following completion. For information about course credit, contact stp@toxpath.org.

Annual Symposium Code of Conduct

STP is committed to providing a welcoming and professional environment for all event participants. All participants, including but not limited to attendees, speakers, volunteers, service providers, and STP staff members are expected to abide by this Annual Symposium Code of Conduct. STP will promptly and thoroughly investigate reports of non-compliance with the Annual Symposium Code of Conduct and, should a violation be found to have occurred, reserves the right to rescind the registration and participation in the Annual Symposium of any participant found to have violated this code.

- Attendees of the Annual Symposium must abide by [STP's Non-Discrimination and Anti-Harassment Policy and Privacy Policy](#).
- All STP events and materials are for viewing and use by the registrant only.
- The recording of any education sessions, presentations, demos, videos, messaging, polls, or related content in any format is strictly prohibited. This includes screen shots or copying any virtual activity.
- STP is not liable for the content of websites linked, transmitted, and shared in any presentations or associated materials.
- Attendees consent to their verbal comments and chat messages, including name and photo (if provided), being recorded.
- Attendees acknowledge any content posted to the virtual platform (e.g., chat or poll responses) is considered non-confidential and non-proprietary.

Child Attendance Policy

Exhibit Hall: To ensure their safety, registered attendees' children under the age of 18 are not permitted in the Exhibit Hall at any time including during the Exhibits Opening, Regular Hours, Welcome Reception, and Poster Sessions.

Welcome Reception: Registered attendees' children 18 or older must purchase a Welcome Reception ticket to attend the event.

President's Reception: Children **ages 0–11** are permitted to attend the President's Reception at no charge as long as the child is under the supervision of the parent at all times. Children **ages 12–17** may attend the President's Reception if they purchase a reduced cost ticket. They must be under the supervision of the parent at all times. Registered attendees' children **18 or older** must purchase a full price President's Reception ticket to attend.

Scientific Sessions: The STP strongly encourages parents not to bring their children into Continuing Education Courses and Scientific Sessions. We realize that occasionally it may be necessary to bring young infants to sessions or that older (high school age) children might be interested in a specific scientific topic. If children are brought to Scientific Sessions, they must be quiet, well mannered, and closely supervised. Parents will be expected to immediately remove a child from any speaker presentation if the child becomes restless, noisy, or disruptive.

Awards Ceremony: The Awards Ceremony is open to all children of registered attendees as long as the child is under the supervision of the parent at all times.

Photography, Videotaping, Recording Policies

Photography of poster presentations **is prohibited** without the specific consent of the presenter(s)/author(s). Photography of exhibitor booths and/or equipment is prohibited without the specific consent of the exhibitor. Photography, videotaping, or recording of Scientific Sessions or CE Courses is not permitted.

STP event registrants grant STP permission to reproduce, copy, and publish image, voice, and any or all media taken at the event unless written notification by the registrant, stating otherwise, is submitted to STP Headquarters prior to the event.
