CHARACTER OF THE EXHIBITION: The purpose of the Society of Toxicologic Pathology exhibits is to further the education of the registrants by providing an area for exhibiting companies to present information on products or services pertinent to the scientists' professional interests. The STP reserves the right to determine the eligibility of any company product or service and the right to restrict, prohibit or evict any Exhibitor or product that in the opinion of Show Management detracts from the character of the exhibition or for any violation of the following Rules and Regulations. In the event of such restriction or eviction, the Society is not liable for refunding exhibit fees or any other cost incurred by the Exhibitor. The Exhibitor agrees to promptly remove from its exhibit space any person or thing that Show Management determines not to be suitable or in keeping with the character of the exhibition. Relevant portions of the foregoing prohibited practices are applicable to non-exhibitors at all times.
