

# Society of Toxicologic Pathology

## STP Northeast Regional Symposium Allergy and Toxicologic Pathology: Scratching an Itch September 26, 2024 Regeneron Pharmaceuticals Inc., 777 Old Saw Mill River Road, Tarrytown, NY 10591

You are invited to join your colleagues in pharma and academia for a day-long STP Regional Symposium entitled "Allergy and Toxicologic Pathology: Scratching an Itch" to be held on September 26, 2024, at Regeneron Pharmaceuticals Inc. in Tarrytown, NY. There is no fee to attend, however, registration is required by September 19, and we encourage you to register early as space is limited. Breakfast, snacks, and lunch will be provided to attendees.

*The presentations by Drs. Molly Boyle and Emily Resseguie will also be available as a webinar. See below for registration details.*

*Thank you to Regeneron Pharmaceuticals Inc. for their generous contribution towards this event.*
