STP Annual Symposium — Child Attendance Policy

Exhibit Hall— To ensure their safety, registered attendee’s children under the age of 18 are not permitted in the Exhibit Hall at any time including during the Exhibits Opening, Regular Hours, Welcome Reception, and Poster Sessions.

Welcome Reception— Registered attendee’s children 18 or older must purchase a Welcome Reception ticket to attend that event.

Scientific Sessions

The STP strongly encourages parents not to bring their children into continuing education courses and scientific sessions. We realize that occasionally it may be necessary to bring young infants to sessions or that older (high school age) children might be interested in a specific scientific topic. If children are brought to scientific sessions, they must be quiet, well mannered, and closely supervised. Parents will be expected to immediately remove a child from any speaker presentation if the child becomes restless, noisy, or disruptive.

Awards Ceremony— The Awards Ceremony is open to all children of registered attendees as long as the child is under the supervision of the parent at all times.

President’s Reception— Children **ages 0 – 11** of attendees are permitted to attend the President’s Reception at no charge as long as the child is under the supervision of the parent at all times. Children of attendees who are **ages 12 – 17** may attend the President’s Reception if they purchase a reduced cost ticket. They must be under the supervision of the parent at all times. Registered attendee’s children **18 or older** must purchase a full price President’s Reception ticket to attend.
